Craft Illusion

Hindu symbolism in India is followed by Muslims, as rigveda and the upanishads the universe is envisioned as a fabric woven by the gods. The cosmos, the ordered universe, is one continuous fabric, with its warp and weft making a grid pattern.

handloom weaving sarees

Textile symbolism in India is hallmarked by tradition, in its roots and the uprootings.
 the universe is considered as a fabric woven by the gods. The women, the vibrant weavers,
 weave continuous fabric with its warp and weft making a great picture.
