Beauty is only skin deep. If you go after someone just
because they're beautiful, you don't have anything to
show. If you're going to get something, you want to be
beyond the surface and see if you can have fun or
have anything in common with the person.

NEW FRESH (2017-18)

Beauty is only skin-deep. If you go after someone just because they're beautiful, but don't have anything to talk about, it's going to get boring fast. You want to look beyond the surface and know if you can have fun or if you have anything in common with this person.
