Colours OF EXISTENCE

For this story, we spent
many weeks of
time in the heart of the
country, in the
great old houses, the
great old gardens, the
great old streets, the
great old squares, the
great old parks, the
great old woods, the
great old fields, the
great old mountains, the
great old rivers, the
great old seas, the
great old sky, the
great old earth, the
great old sun, the
great old moon, the
great old stars, the
great old planets, the
great old galaxies, the
great old universe.

Over

the years I have
learned that
what is
important in
a dress is the
woman
who is wearing it.
