Dressing is a matter of
taste, Fashion is the style
and custom prevalent at
a given time.

2005

A woman with long, wavy brown hair is standing in a courtyard. She is wearing a black dress with a pink plaid vest over it. The vest has a V-neckline and long sleeves with pink ties at the cuffs. She is also wearing pink plaid pants and pink sandals with a floral pattern. She is holding her hands near her face, looking upwards. The background features a stone archway and a wooden door with intricate carvings. There are some pink flowers hanging from a vine in the upper right corner.
