A girl should be two things : Classy and fabulous. You decide what you are, what you want to project by the way you dress and the way you live. Style is a way to say who you are without having to speak. The most important thing to remember is that you can wear all the greatest clothes but you've got to have a good spirit on the inside. That is what really ready to make you look like you are ready to rock the world. Fashion can make you more beautiful in your everyday life. So whether it's evening or afternoon religious and cultural. Looking good is a way of life. Dressing is a matter of taste.

When a woman walks, the dress must walk. When she dances the dress must dance.
