ITS A NEW ERA IN FASHION

**FOCUS
ON THE
WOMAN**

is a history of people. During the past century, it was the couturiers and designers that laid the foundations of the modern fashion industry we know today. The liberation of women from corseted confinement, the creation of ready-to-wear clothing, skirts, hemming, waistline changes, blouses, handkerchiefs, button-downs, marketing and even protection of intellectual property rights, are each a direct result of the ingenuity, honesty and creative spirit of individuals who were in their lifetime artistic and societal innovators.
