Style is something each of us
already has, all we need to do is
find it.

the 1990s, the number of people in the UK who are employed in the public sector has increased by 1.5 million, from 2.5 million in 1980 to 4 million in 1998. The public sector has become a major employer in the UK, and its growth has been a key factor in the overall growth of the economy.

The public sector has also become a major provider of social services, and its growth has been a key factor in the overall growth of the economy. The public sector has become a major employer in the UK, and its growth has been a key factor in the overall growth of the economy.

We must never confuse elegance
with snobbery.
