Prakrit
The Pratihara dynasty was born in the
South and North India. The royal court was
held at the Pratihara court. The Pratihara
dynasty was known for its art and
architecture. The Pratihara dynasty was
the first to introduce the concept of
the Pratihara dynasty. The Pratihara
dynasty was known for its art and
architecture.

The Printed saree has its roots in both South and North India. The word 'saree' was taken from the Prakrit word 'sarika' which means a piece of cloth or a strip of cloth. The first known portrait of the saree in India is the figure of an Indian valley priest wearing a drape.
