A ballad of ancient grace

*For a ballad of ancient grace, the world of
ancient India is the perfect place. It is a place
where the ancient is still alive, and the new is
born. It is a place where the old and the new
are one.*

*Life evolves
from sand*

From the sand of the desert, the wind blows
in my dreams and carries the seeds of life.
And from the sand, a new world is born.
And from the sand, the life of the universe begins.
The sand is the seed of life, the seed of the universe.
