SENSATIONAL

SILK TO BRING THE DRAMA TO DREAMY

A Silk saree is not a mere garment — it is a canvas testifying to the wearer's boundless ability. It's also a personal pursuit of beauty, of sorts, with a grandmother or the mother handing her down or the next generation with the saree. There's a generous play of colours, where vibrant reds and oranges meet designer blues with stark black accents and floral silk. So be it, it's a daily robe, worn with the utmost elegance.

Vindaraan

There's a generous play of textures, where sculptural drapes meet designer linens with each detail accentuating overlying silk. So be ready to slip in a flirty robe, along with the expected dramatic flair.
