SENSATIONAL

SILK TO BRING THE DRAMA TO DREAMY

A Silk saree is not a mere garment — it is a canvas testaments to the sari-wearer's boundless ability. It's also a personal pursuit of beauty, of sorts, with a grandmother or the mother handing her down or life stories over to the next generation with the saree. There's a generous play of colours, vibrant patterns and a rich design language with each hand-loomed saree. So be it a daily wear, saree with the saree's charm is just what you need.

Vindaraan

There's a generous play of textures, where sculptural drapes meet designer linens with each detail accentuating overlying silk. So be ready to slip in a flirty robe, along with the expected dramatic flair.
