Beauty is what you make of yourself
not how, act, how you dress, how much
makeup you wear, it's now you present yourself

FASHION FORWARD

The beauty of a woman is not in a facial mode but the true beauty
in a woman is reflected in her soul. It is the caring that she
lovingly gives the passion that she shows. The beauty
of a woman grows with the passing years.

The Modern Generation
The most courageous act is still to think for yourself. Aloud.
