*The difference between style & fashion is quality. Fashion is a great thing,
it's a way to express who you are. Fashion is inspired by youth & nostalgia
& draws inspiration from the best of the past. Fashion is almost like
a religion, for me at least...*

Fabulous
Fashion

Fashion should be stylish & fun. I still appreciate individuality style is much more interesting than fashion really. Fashion should be a form of escapism & not a form of imprisonment.
