Individuality Style
Be sure what you
& be sure about yourself,
fashion is not just
beauty, it about a good attitude
you have to believe in
yourself & be strong.
The difference between style
& fashion is quality.

Fashion is not something that exists in dress only. fashion is in the sky, in the street, fashion has to do with ideas the way we live, what is happening.

Fashion should be a form of escapism
& not a form of imprisonment.
Fashion is almost like a religion,
for me at least.
I base most of my fashion taste
on what doesn't an item.
