DRESS TO KILL

The mere mention of the word 'luxury' throws up instant images of grandeur, high fashion, designer clothing, fashion shows, Bollywood, glossy magazines, Page 3, and a high dose of sensual-visual appeal. It is another fact that luxury is much more than just fashion. Luxury is a lifestyle, and fashion is just a minuscule part of it. Businesswise the most visible or voluminous part of the overall luxury trade, fashion has also been quite an employment generator.

WESTERN HISTORY

The mere mention of the word 'luxury' throws up instant images of grandeur, high fashion, designer clothing, fashion shows, Parisian catwalks, magazines, Page 3, and a host of other sensualised appeal. It is another fact that luxury is much more than just design. Luxury is a lifestyle, and fashion is just a minor part of it. Besides, with the more visible, conspicuous part of the overall luxury trade, fashion has also been quite an employment generator.

The mere mention of the word 'luxury' conjures up instant images of grandeur, high fashion, designer clothing, fashion shows, the glitz and glamour of magazines, Page 3 and a host of social and cultural aspects. It is no overstatement to say that we are living in an era of luxury as a lifestyle and fashion. It is an integral part of our lives. However, the true spirit of luxury is not just a mere possession of the material but a feeling of well-being and a sense of achievement. Fashion has also been quite an important part of it.
