*The gentle breeze carries her
fragrance far and wide. It leaves people
mesmerized on every side.*

*The more you nurture the more
beautiful she blooms. And all she wants
is a little sunshine and lots of love. Hold
her gently and watch her grow into a
beautiful show.*

The House Of Linen

by *Arun*

She's a garden of mystery. Rows and rows of beautiful, delicate petals fill the space she abides. She's a pleasure to the eyes and her beauty is worldwide.
