

The Cloudy MAROON

Silhouette

As the saying goes, maroon is not just a colour. it's an attitude. it's an impression that you leave on someone without marking it red. maroon is an art, that not everyone understand.

Grey and Black, Make It All Bold

There was grey and then it tops out with black.
What more will you say when both are mixed to make
it so fiery that with every curvy move of yours,
people just say - I wish.

Black Says It All

Picking the black of times absorb many things, and so is the attention around you. Make this blackish tone, the perfect ally to give a stunning look.

A woman is shown from the waist up, wearing a black and white patterned saree with a wide border. She is posing with her hands on her hips. The background is a dark brown wall with a subtle, repeating leaf pattern. To the right of the woman is a small, dark brown rectangular pedestal with a bouquet of white flowers on top.
