Little girls behind the world's old and new pictures. Right, newspapers, to magazines, to posters and are there on their walls, shaping and dye to be as graceful as flowers, as subtle as the wind, and they stand of smiling and smiling. One's first love, they are their source of inspiration.

PARADISE

They fall from a world where all is heavenly. They belong to an age which was truly golden. Whatever the world had lost is contained in their bosoms and in their smile, which shines with the purest gold. They were spared from death, and so too their descent. And there a crowd of green envy to all those who don't possess them.

Goddess
