DRAPED IN RADIANCE
Expressive drapes and tones for a look that's radiant

There is in true beauty, as in courage, something which narrow souls cannot care to admire. Real beauty is to be true to oneself. That's what makes me feel good.

 **D.No.1006** 

Always be the
REIGNING ROYAL.

For nothing says royal quite like cream and gold combined

Beauty is a manifestation of secret natural laws, which otherwise would have been hidden from us forever. I don't think of all the misery but of the beauty that still remains

ON THE STYLE RADAR

Why settle for something less than the forest?
Photos are like stained - glass windows. They sparkle and shine when the sun is out, but when the darkness sets in, their true beauty is revealed only if there is a light from within.

The Perfect Balance of...
MODERN DAY TRENDS
and traditional attire

The beauty of a woman lies not in her features but in the way they are carried. A confident smile will do more for you than any beauty product. The beauty of a woman grows with the passing years.

THIS FESTIVE SEASON

Let your dress decide your sartorial mood

The beauty of a woman often lies not in her eyes, because there is the beauty to the heart, the charm of the face, but the beauty of the soul. It is the soul that makes a woman beautiful and not the body.
