KRESHVA

A sari is a women's garment from the Indian subcontinent.
It consists of an un-stitched stretch of woven fabric arranged over the body as a robe,
with one end attached to the waist, while the other end rests over one shoulder as a stole,
sometimes baring a part of it may vary from in length,
in breadth, and is a form of ethnic wear in Bangladesh, India, Sri Lanka.
There are various names and styles of sari manufacture and draping,
the most common being the Nivi style.
The sari is worn with a fitted bodice.
It remains fashionable in the Indian subcontinent today.
