The image shows a detailed view of a traditional Indian lehenga choli. The lehenga is a vibrant green color, heavily embellished with gold-toned beads and intricate embroidery. The pattern consists of repeating geometric and floral motifs, creating a rich, textured appearance. A sheer green net overlay is draped over the lehenga, featuring small, scattered gold floral motifs. The choli, visible at the top, also features the same green and gold design. The background is a light-colored fabric with a subtle, large-scale floral pattern.
