Queen of hearts

Many an artist have tried to capture her beauty on canvas, and yet they fail. Because while paint fades after a while, her beauty and the splendor of her dress remain immortal in their glory.

Dazzling patterns

Some say they are not patterns. They're messages from a time when the world was younger and more beautiful. They're like secret codes, the exquisite geometrical lace always weaving for only they can know. Each design is replete with their grace and allure.

Unblemished beauty

As the ages pass, as kingdoms crumble and new ones rise from the ashes like a glorious burden, their beauty is a constant source of illumination to the world around you. You're dressed are also dressed in garments which never fade with time, with trends, with fads.

Fairytale Love
She dreams of a fairytale, her visions
are elemental. Her flights of fancy
were one that shaped the time. Garbed
in a flowing golden hue-colored at
first. With every step she takes, her hap-
piness shines.

Rich grandeur
This patterns has been designed to the smallest detail to wind their fa-
brics perfect to the smallest degree. Some consider them illusions, judging
from their perfection. And when they realize that these damsels do truly exist,
they marvel upon the richness of existence. And the richness of the threads that
adorn them.
