Queen of hearts

Many a royal have tried to capture
her beauty on canvas and yet they
fail. Because what is not a queen
who, her beauty and the splendour of
her dress remain immortal in their
eyes.

Dazzling patterns

Some say they are not patterns. They are more
like a story from a time when the world was young
and more beautiful. They are like a window
into the past, showing us the way things were
for only they are truly beautiful when
with their grace and style.

Unblemished beauty

As the eyes gaze, no blemishes trouble and one sees not from the sides but a
glorious beauty. Her beauty is an array of illumination to the world
around you. Her beauty is also shared in garments which wear like with
time, with trends, with fate.

The dreams of a fairytale, the visions

in a floating golden, love and radiance
the world away they are taken, the deep
prayer alone.

Golden grace

If you are not a golden girl, then you are not a golden girl. In the end, it is not the golden girl who is the most beautiful, but the golden girl who is the most beautiful.
