Glamour is everything

Clothes and jewellery should be startling individual when you see a woman in my clothes you want to know more about them to me that is what distinguishes good designers from bad designers.

Classy and fabulous

Women think of all colors except the absence of color
I have said that black has it all White too their beauty
is absolute It is the perfect harmony.

Fashion is so close in revealing
a person's inner feelings and
everybody seems to hate to lay
claim to vanity so people tend
to push it away. It's really too
close to the quick of the soul.
