A fairytale of emotions, opinions, choices, thoughts, actions and chronicles.

the fairytale

10142 / A fairytale of emotions, opinions, choices, thoughts, actions and chronicles.

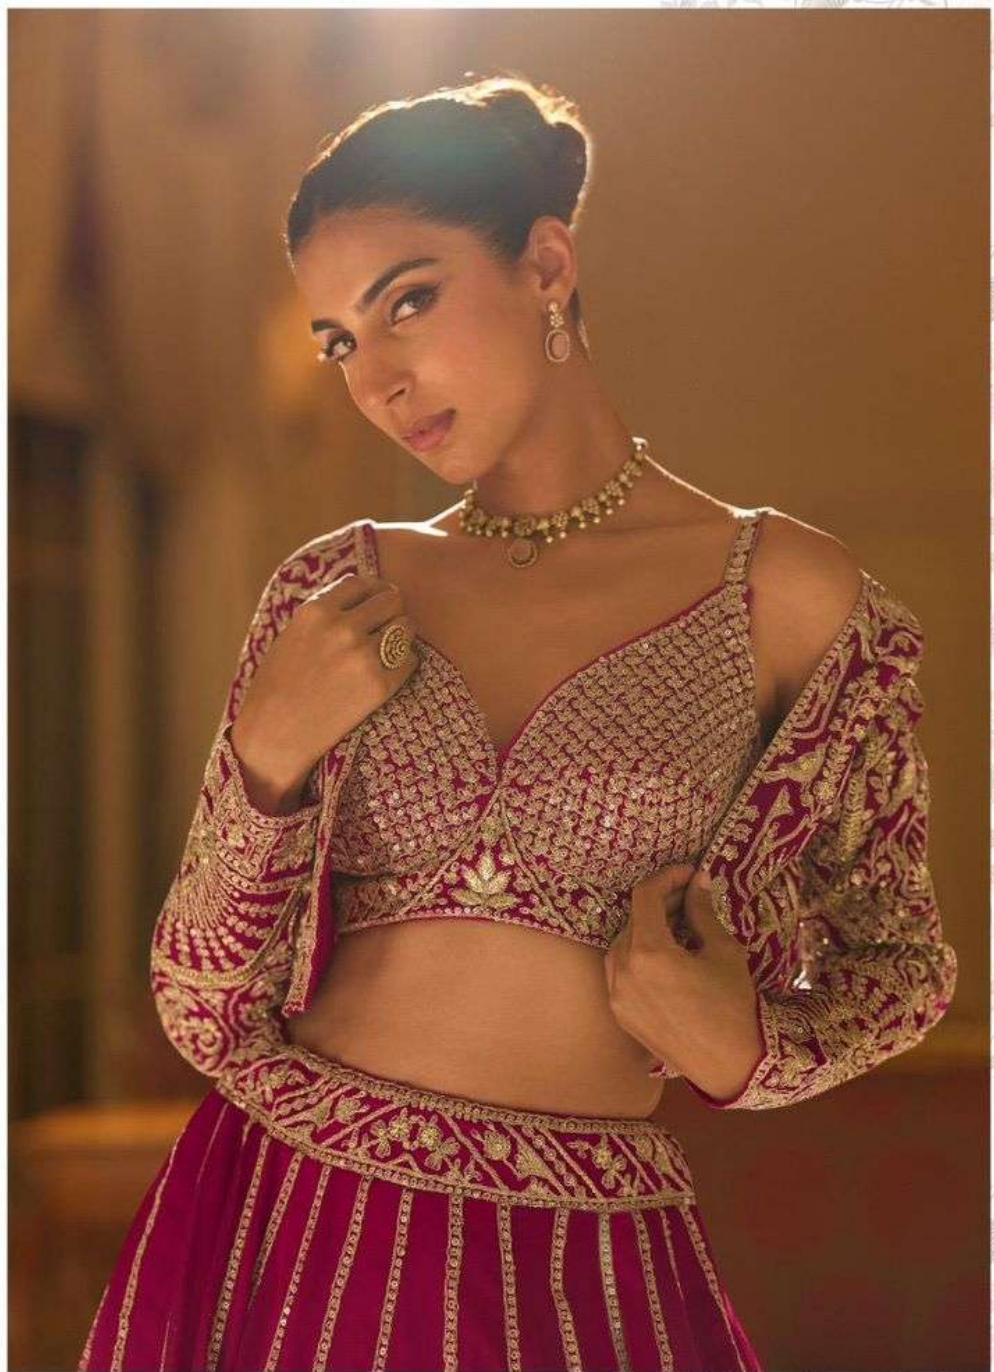

As a philosophy we have always focused on elegance because our
impulse to establish the distinctive identity of our label has always
come from dignity of ethnic aesthetics. The concepts are derived
from contemporary techniques of comfort yet much steeped into
traditional trace. In this regard, our garments have maintained a very
sophisticated methodology, silhouettes are free yet classic and
endure easy but abundant.

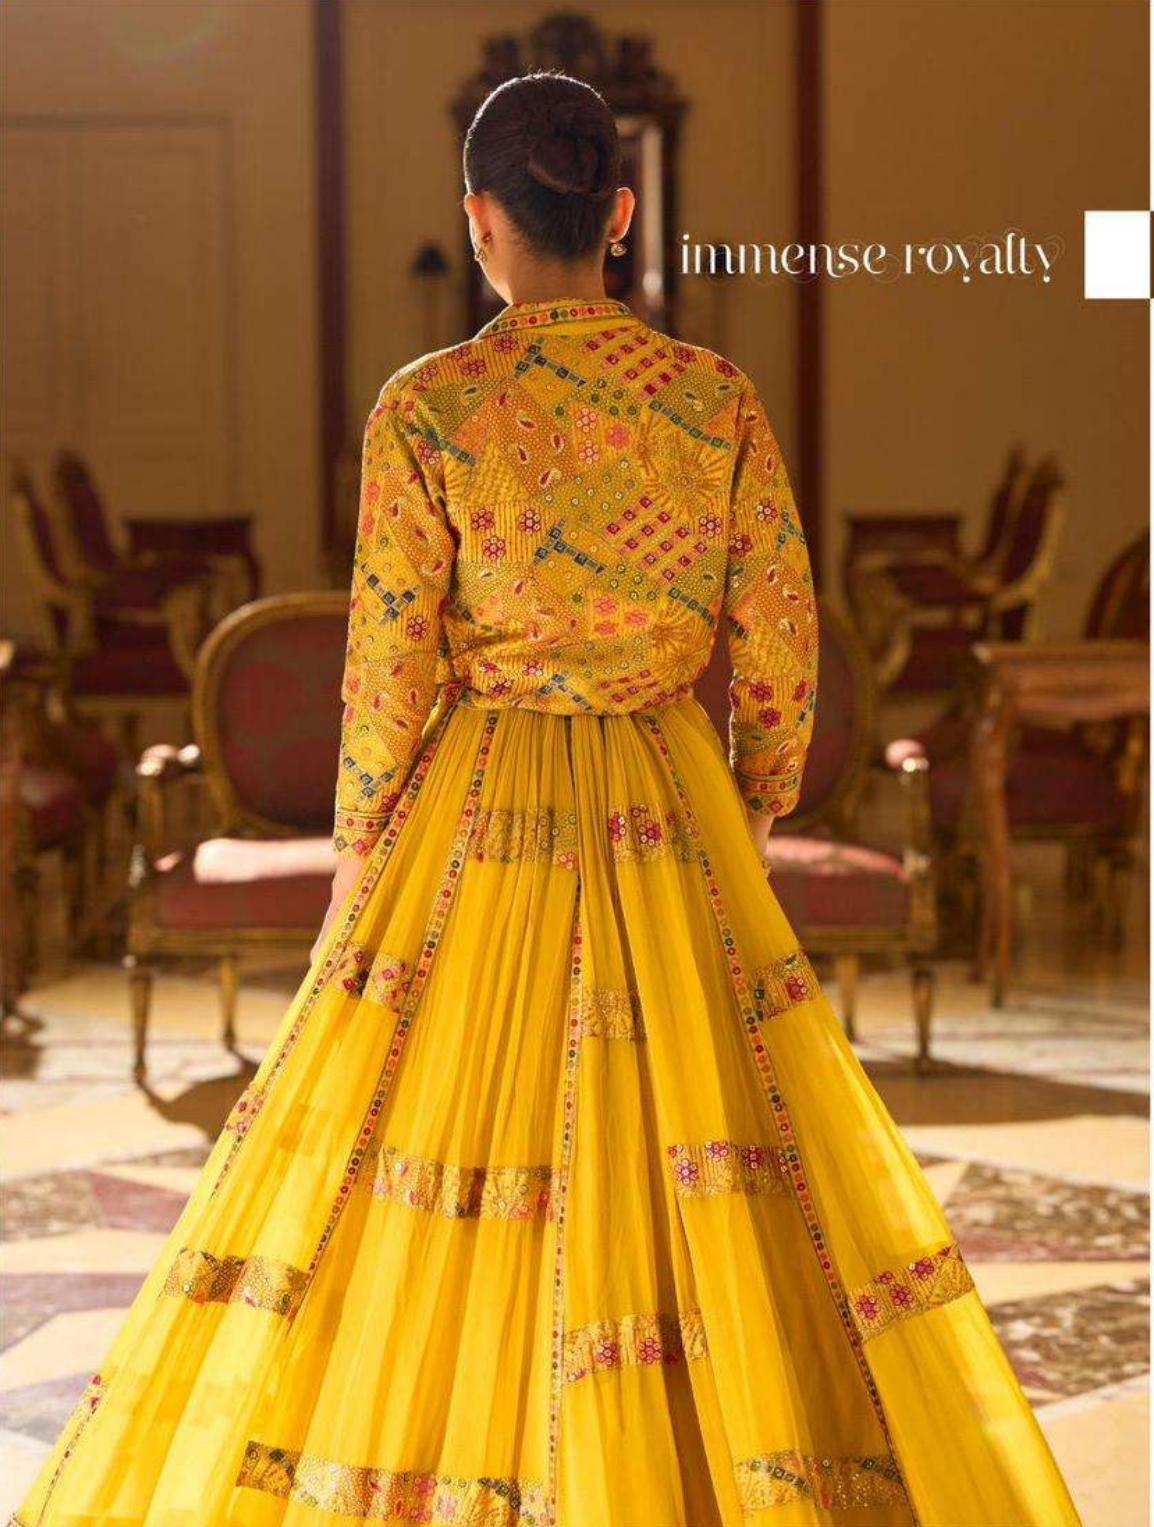

Our designs are minimal and easy. As our clothes are a result of
curated team of creative designers, you will find a fresh story with
each outfit and that is what makes the collection ageless.
