REFLECTED
FROM OUR SOUL

"Style is the only thing you can't buy. It's not in a shopping bag, a label, or a price tag. It's something reflected from our soul to the outside world—an emotion."

"You gotta have style. It helps you get down the stairs. It helps you get up in the morning. It's a way of life. Without it, you're nobody. I'm not talking about lots of clothes."

957-003 

"What's my style is not your style, and I don't see how you can define it.
It's something that expresses who you are in your own way."

957-002

"What you wear is how you present yourself to the world, especially today, when human contacts are so quick. Fashion is instant language."

"In order to be irreplaceable one must always be different."

BEING YOURSELF

"Fashion is about dressing according to what's fashionable.
Style is more about being yourself."

"Don't be into trends. Don't make fashion own you, but you decide what you are, what you want to express by the way you dress and the way to live."
