JOHRA TEX

The image displays a variety of black fabric pieces with intricate designs. On the left, several pieces feature teal and light blue floral embroidery, including large, detailed roses and smaller sprigs of flowers. A dark green ribbon is draped across the center. On the right, a piece of fabric is adorned with a complex, gold-toned paisley or damask pattern. The fabrics are arranged on a light-colored wooden surface, and a white rectangular box with the text 'JOHRA TEX' is centered over the image.
