BOLD & BEAUTIFUL

When the glowing colors of the land found their way  
into the world, they were the first to be seen and the first to be heard.  
The world's first colors, the first sounds, the first light, the first fire.  
The world's first colors, the first sounds, the first light, the first fire.  
The world's first colors, the first sounds, the first light, the first fire.

### Sparkling finesse

Once a great wise sage spoke of a sparkle, a glow which would consume the planet with its intensity. These maidens were born even then, and from a very young age glowed brighter than the remaining universe. Today, their sparkle and that of their dazzling clothes have infected the universe with their inherent charm. The prophecy comes true!

Glitz Chick*

*She lives in a world where all is  
glittering. Inside the corner  
of the mirror. Spreading joy  
around, for and excitement.  
When all is beautiful, she's  
there.*

Pure Life

*As you breathe, you transcend the atmosphere  
of the world that surrounds you. And all that  
is within, all that is higher, all that is pure  
disappears to one instant.*
