A close-up photograph of a traditional Indian wedding lehenga. The garment is a bright, lime-green color and is heavily embellished with intricate embroidery and hand mirror studding. The embroidery features delicate floral and geometric patterns in silver and green threads. The hand mirror studding consists of numerous small, round mirrors that catch the light, creating a shimmering effect. The lehenga is shown draped, revealing its full length and the detailed craftsmanship. The background is a light-colored fabric with a subtle floral pattern.
