The beauty of a woman is not in a face, but in a smile. The beauty of a woman is not in her eyes, but in the way they smile. The beauty of a woman is not in her hair, but in the way it flows. The beauty of a woman is not in her clothes, but in the way she wears them. The beauty of a woman is not in her age, but in the way she lives. The beauty of a woman is not in her body, but in her soul. It is the caring that she brings, the passion that she shows. The beauty of a woman grows with the passing years.
