Dakota is more than just a designer's vision. Dakota is a reflection of a girl like, sweetly, prettily, innocently, and adorably. The changing style from girl to woman about taking and the blue period is very fitting look.

2013-F

Tulsi is a very close jewel's colour. Tulsi is a reflection of a green tree, wealthy, nobility, generosity, and nobility. The changing light when jewel is struck about tulsi and the blue period is very strong look.

2013-G

Takkar is more than just a designer's vision. Takkar is a reflection of a person's life, wealth, popularity, convenience, and credibility. The changing styles show just how much about taking and the best period is very taking back.
