"The Secret of Style"

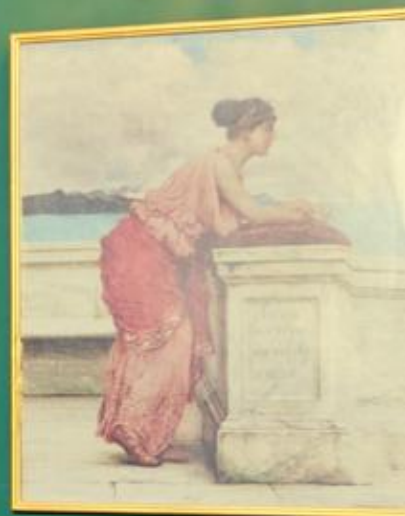

OLIVIA SILK

In the 21st century the style trends of the fashion industry dominate the world more than they ever did, and control not only the way people dress but also trends in home ware design, making fashion and people's overall attitudes. In the 90's flower power did not only mean flowers and hair, it summed up the whole attitude of a generation, and this is even more prominent today.

In the 21st century the style trends of the fashion industry dominate the world more than they ever did, and control not only the way people dress but also trends in home ware design, making fashion and people's overall attitudes. In the 19th flower power did not only mean flowers and herbs, it summed up the whole attitude of a generation, and this is even more prominent today.
