crafted for eternity
"There is a thin line between love and obsession. And that line is need. Obsession drives us to need, to possess, to consume. Love is uncontrollable, but it is selfless - it gives and it nurtures. Some of us exist forever in the middle, always needing and forever consumed by our desires. It is saree that marks our spot - as little beacons of light leading us deeper and deeper into our touch holes, sometimes destructive, sometimes uplifting.
