NYLON CHINON TWO TONE WEAVING

Crafted for eternity

"There is a thin line between love and obsession. Love that love needs. Obsession demands to be needed to possess, to consume. Love is unaccommodating but it is selfless. It gives itself in complete. Obsession is just obsession in the middle, always evolving and forever consumed by its desire. It is never the end because for her the beauty of light looking in deeper and deeper into the heart of the universe and the universe is still unfolding."
