DRAPED IN RADIANCE
Expressive drapes and tones for a look that's radiant

There is in true beauty, as in courage, something which narrow souls cannot care to admire. Real beauty is to be true to oneself. That's what makes me feel good.

 **D.No.1006** 

Always be the
REIGNING ROYAL.

For nothing says royal quite like cream and gold combined

Beauty is a manifestation of secret natural laws, which otherwise would have been hidden from us forever. I don't think of all the misery but of the beauty that still remains

ON THE STYLERADAR

Why settle for something less than the forest?

Photos are like stained - glass windows. They sparkle and shine when the sun is out, but when the darkness sets in, their true beauty is revealed only if there is a light from within.

MODERN DAY TRENDS
and traditional attire

The beauty of a woman lies not in her features but in her mind. A woman who is a combination of modern and traditional is the most beautiful. She is the one who is the perfect balance of modern day trends and traditional attire. The beauty of a woman grows with the passing years.
