

TRENDY STYLE

I always find beauty in things that are odd and imperfect.
they are much more interesting.

Express Style

What's my style is not your style, and I don't see how you can define it.
It's something that expresses who you are in your own way.

"Ready to the last stage before ready."

"Ready to the last stage before ready."

"In all these times, fashion is always changing."

"Elegance is abstraction."

"Fashion fades,
style is eternal."

"Fashion is a language."

"Thoughts will enter. Make it worth their while."

"When in doubt, wear red."

"I don't design clothes. I design dreams."
