BEAUTY

Saree is a popular garment in India (worn by the rich and poor alike).
Sarees are known for their beauty and elegance and rely more on the pattern and quality
of material. They are favored by working women because they are light to wear and easy to wear.
There are daily use sarees that are worn at home and in the office. More extravagantly
designed sarees in terms of designs and embellishments are usually occasion wear.

3712

Brighten up yourself with an array of Florals in cool blue and Red on soft surface that will take you through the season in style.
