expression

From the moment you
wake up, you are
expressing your
personality. It's not
just what you wear,
but how you wear it.
It's the way you
look at the world,
the way you feel
about it, and the way
you express it.
It's the art of self
expression.

the art of self expression

From everyday fashion to the most dramatic, clothing is a way of expressing who you are. It's a reflection of your personality, your mood, and your style. It's a way of saying "I am who I am." It's a way of saying "I am proud of who I am." It's a way of saying "I am who I want to be."
