Costume Costume is not made to give women an aura of wealth,
but to make them beautiful

D NO .10002

A beautiful

When you look beautiful, you are beautiful.
But when you look ugly, you are not.
It's not the way you look, it's the way you feel.
It's not the way you look, it's the way you feel.
It's not the way you look, it's the way you feel.
