THE BOLD & *Bridal*

Dressing is a matter of
taste, Fashion is the style
and custom prevalent at
a given time.

2005

A woman with long, wavy brown hair is standing in a courtyard. She is wearing a black dress with a pink and black plaid vest over it. The vest has a V-neckline and long sleeves with pink ties at the cuffs. She is also wearing pink and black plaid pants and pink sandals with a floral pattern. She is holding her hands near her face, looking towards the camera. The background features a stone archway and a wooden door with intricate carvings. There are some pink flowers hanging from a vine in the upper right corner.

The colours

Some masterpieces define the trend of the era they're born in, and the ages that follow. These colours out of time are without compare, peerless in perfection, matchless in magnificence.
