INTERNATIONAL CHARM

She is Lushna in look, in spirit, at heart...even in dress. But her beauty is as big a rage abroad as it is at home. In the sands of Lushna, in the waters of Venice, in the sands of the Middle East, in the bylines of Times, her name is remembered with fondness and with glow.

D NO-6008

The patterns, lines, shades and contours of work here have been designed by the very masters of the land. Some say that the craftsmen used sand and did not wish to part with his treasures again. When asked why, he said, "my greatest creation needs to be worn only by angels." Today, this garment, made for angels, we can surely be yours forever.

A PICTURE OF POISE

Every photographer across the world is flummoxed. Their lenses can only capture a fraction of her beauty. Because her charm is so all encompassing, so magnificent, so profound, the most skilled photographers fall short. Most blame her dress...which is glorious in every respect.
