*You are a friend, a mother,
a lover, a person, a woman
that encompasses the true
sense of the lifestyle
with your colors,
textures and patterns.*

INDIAN TRADITION
The art of living is the art of being
in harmony with nature and
with the world.

INDIAN TRADITION
There are shades of the brightest colors and
vibrant that emanate the glowing spirit
within you.

2002

INDIAN TRADITION
The traditions of life inspired them, our own
culture that we make the drama and it
with it.
