*Perfect design*  
The perfect design is the one that you can't think of, but you will find it. It's not about the design, it's about the feeling. It's about the way it makes you feel. It's about the way it makes you look. It's about the way it makes you live.

*Essence of perfection.*  
 In life, it's not something that comes to you, but you have to go for it. It's not something you  
 follow, it's something you create. It's not something you wait for, it's something you make.
