I don't think of all the

that still remains
Exuberance is beauty.

A woman is the central figure, wearing a vibrant green sari with a wide, flowing capelet draped over her left shoulder. The sari's border and the capelet's edge are adorned with intricate silver floral embroidery. She is also wearing a matching green crop top. Her accessories include a sparkling tiara, large ornate earrings, a necklace, and bangles. She stands with her hands on her hips, looking directly at the camera. The background is a richly decorated room with dark wood paneling, a large crystal chandelier, and a wooden cabinet with a vase of flowers.
