KAAFILA SILK

NYLON CHINON TWO TONE WEAVING

Crafted for eternity

"There is a thin line between love and obsession, and sometimes love is closer to need, to possess, to consume. Love is unconditional, but it still has a price. Some of us stay forever in the middle, always watching and forever consumed by the beautiful or scary that stands one step away. Because of light heading in deeper shadows into our lives, sometimes darkness, sometimes a lighting

KAAFILA SILK

NYLON CHINON TWO TONE WEAVING

Crafted for eternity

"There is a thin line between love and obsession. Love that love needs. Obsession stems from the need to possess, to consume. Love is unconditional but it is selfish. It gives itself completely. Love is the first answer in the middle, always evolving and forever consumed by the desire. It is never the end because for the love of light looking in deeper and deeper into our hearts and souls, it is never the end of the journey of self-discovery."
