flowers and leaves it has been
born from the very essence of
nature. The natural world has
been the source of inspiration for
the most beautiful creations. The
natural world comes alive
and we are born in its embrace.
The world around us
is a masterpiece of nature and
it is our duty to protect it.

BOLD & BEAUTIFUL

When the glowing colors of the land found their way

The world's first colors and sounds were the colors and sounds of the land.
The world's first colors and sounds were the colors and sounds of the land.
The world's first colors and sounds were the colors and sounds of the land.

Sparkling finesse

Once a great wise sage spoke of a sparkle, a glow which would consume the planet with its intensity. These maidens were born even older, and from a very young age glowed brighter than the remaining universe. Today, their sparkle and that of their dazzling clothes have infected the universe with their inherent charm. The prophecy comes true!

When all is beautiful, she's
there.*

Pure Life 
*As you breathe, you transcend the atmosphere
of the world that surrounds you. And all that
is within, all that is higher, all that is pure,
disappears to one instant.*

They surround her and bask upon her in awe, as if she's not mortal but a miracle. Her features enchant and her dress is enigma. And they sing her song, so that the eyes to come too will sing of her beauty.

A ballad of ancient grace

and so they sing the strains of her beauty in the words of an ancient race. It paints a picture of her will, her splendor, her wonder and above all, her lovely ornaments. All those who listen to it discover that these were before.

The term, if used, could hurt in an unexpected way. Had one look at you, clad in your medical garment and the heart straps, the pulse pickers and wires peering out. You are truly the female jock.

*With you on the edge of your seat, and when the end of the world makes you wish a moment longer
You are not just a girl in a world of beautiful things. You are a girl who is the most beautiful person
every day.*
